

## **Stay Furious Cross Stitch Chart – Designed By Claire Brown XStitch**

**Now is the time to act. Stay furious, my friends. STAY FURIOUS.**

**This simple, quick and easy-to-do cross stitch chart is perfect for anyone looking to make a reminder for themselves that change is possible, but momentum must be maintained.**

**About the designer: I'm Claire Brown and I have been designing cross stitch patterns and kits commercially since 2004, first as Miso Funky, then as The Bellwether and now as myself. I've had my work featured in museums, galleries, print and digital media and even on TV, both in the UK, Australia, Europe and USA.**

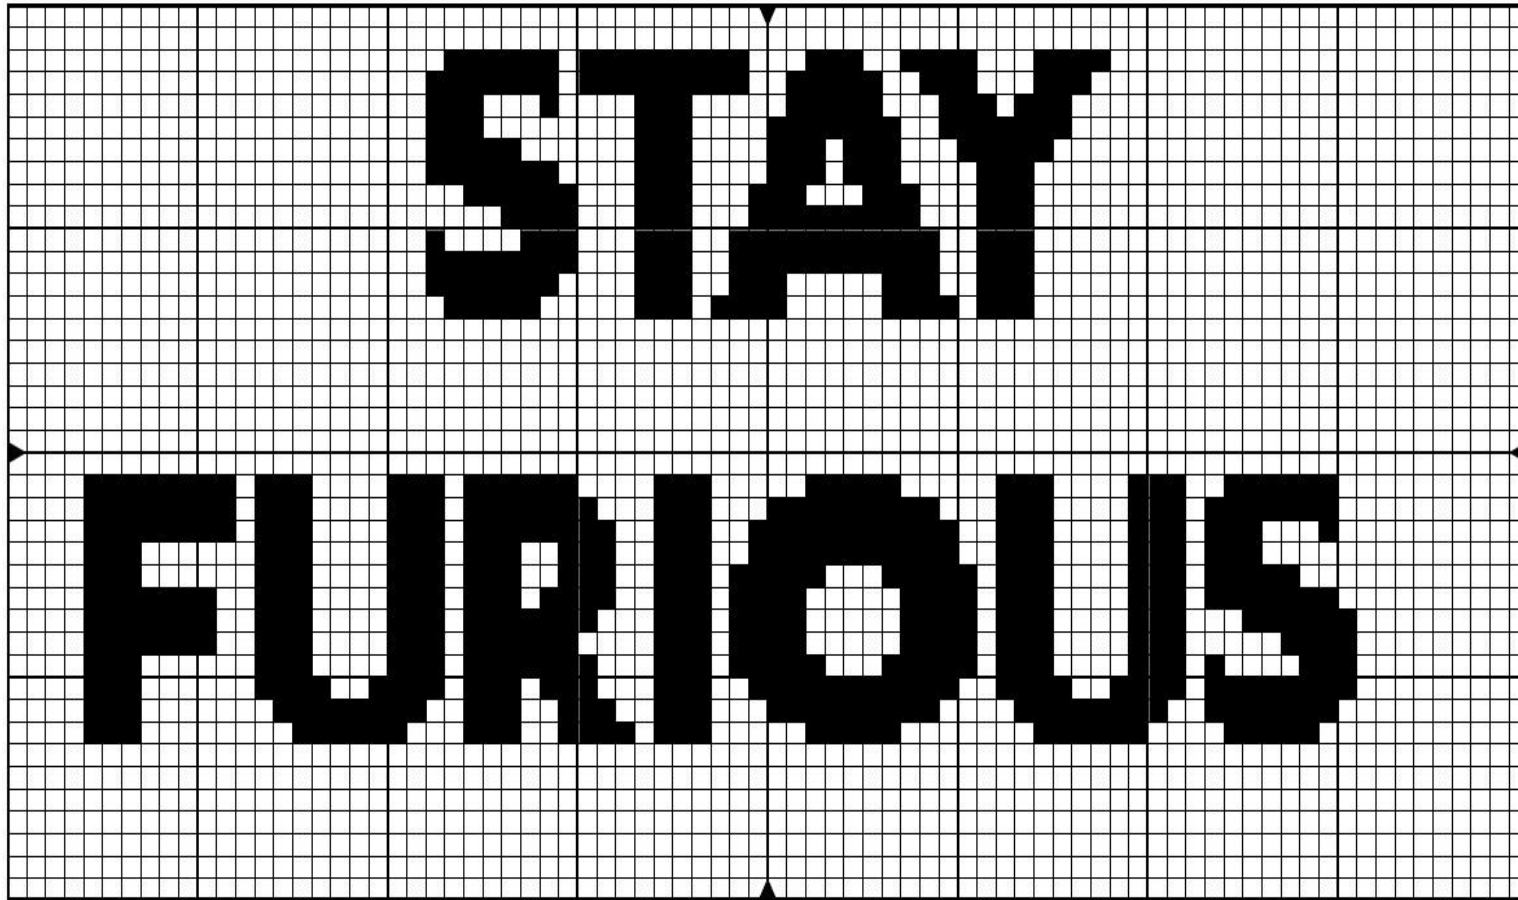

**I design patterns that are clear, simple and quick to do for beginners and experienced stitchers alike – no bullshit, just a fun chart to whip up quickly and easily**

**This cross stitch chart is stitched on to 14ct Zweigart aida in black using DMC 666 thread. The finished piece will measure approximately 4.8" x 2.2" or 12.2cm x 5.6cm when stitched on 14ct aida.**
